ST ANTHONY'S FETE This was our first fete in three years and it was so wonderful that so many happy memories and moments were created on this special day. The Fete was made successful through the many gifts and acts of generosity from the Parish, it's friends and local businesses and we wish to thank everyone for their support and contributions. The Fete team are planning a review meeting and if you have ideas or wish to be involved in Church Fundraising events or want to know more about future events, please do let us know. We have managed to raise **£5347** which will be put towards the restoration of the Church, and a donation will be made to *Slough Refugee Support*. This is a local charity which is committed to helping all asylum seekers and refugees in Slough and the surrounding areas to achieve their rights and settle with dignity in a new community.
