This weeks readings are about the wisdom of God which is very different from the wisdom of the world. The first reading recalls how Solomon requested the gift of understanding instead of material goods or power. The psalm reminds us that God's commands are more precious than gold. The second reading tells us to work for God's purpose. And in the gospel Jesus gives us more parables related to the Kingdom of God, including the treasure in the field, the pearl of great price, and treasures new and old.

**A NOTE FROM THE SECRETARY:** As we begin the summer holidays, I have reflected on my time working here at St Anthonys, I can't believe I've been here almost 6 months already! I'd like to say a big thank you to all the parishioners who have supported me whilst I've settled into the role, I always look forward to seeing who's going to turn up at the door to say hi! I'd also like to say the biggest thank you to Father Nathaniel who has been so helpful and patient with me and is a pleasure to work with. I still have lots to learn but Father has been and continues to be a great teacher! I hope you all have a rested and peaceful summer break and I look forward to writing your weekly updates in September!
