We would like to say a HUGE thank you to everybody who contributed towards the success of our Summer Jubilee Fete. Not only was it a success but we have reached a new record by raising an incredible £7000!! This puts us in a great position in aiming for the £25,000 we need to fundraise towards the new carpets and sound system. This would not have been possible without each of you! A big thank you must go out to all those who worked so hard behind the scenes to make sure Saturday was a great success. Thank you so much for your hard work, dedication and commitment to our Parish. You did a fantastic job and some very special memories were made at this particular Fete. There are still a few unclaimed prizes in the office, if you have been contacted then please get in touch with me to arrange collection. Well done and thank you to everyone involved!
